PREPARATORY SCHOOL  
CO-EDUCATIONAL DAY PREPARATORY SCHOOL FOR CHILDREN AGED 3-11  
*WHERE OPPORTUNITIES MAKE ALL THE DIFFERENCE*

Dear Parent

As of 1<sup>st</sup> June, S4, J2 and J1 will be returning to school with the remaining year groups returning on 22<sup>nd</sup> June 2020.

We anticipate that the majority of the children will be dropped off via the Rectory Lane car park. However, if you do wish to use the pedestrian entrance on Knoll Road, please may you call the school office in advance to arrange this.

A staggered start and end of the school day will be organised for the first three weeks and we will, unfortunately, be unable to run Breakfast or After School Club.

All keyworker children will need to arrive at 8am at the Knoll Road side entrance with collection at 4pm. S4 children will need to arrive at 8.15am with collection at 3.40pm. J2 children will need to arrive at 8.30am with collection at 3.10pm. J1 children will need to arrive at 8.40am with collection at 3pm.

J1A will be using the wooden gates by the pond, J1H will be using the metal gate next to the Pool Plant Room.

J2 will be dismissed from the 'middle' Rectory Lane car park pedestrian gate, just by our new allotment area.

On arrival, all children will go through a shoe disinfecting trough and will be directed to sinks to wash their hands before going to their classes for morning registration.

Kind regards

Dominic Price
